

FLORIDA PALM CONSTRUCTION

FOSTER FAMILY PRO BONO PROGRAM

Community is a core value of **Florida Palm Construction**. We strive to serve our community by providing free services to foster families that need assistance around their homes through our outreach program. Every foster family's story is unique and inspiring so we look forward to being a part of yours!

Our Mission: Our goal is to build lasting relationships with members of the community through our outreach program by giving back to those who have given so much.

Our Process:

1. Fill out an application. Our current program allows for 3-4 days of scheduled work quarterly so by applying through our application process you are our top priority. Be sure to include as many details as possible regarding the services you need.
2. We will review your application
3. We contact you to schedule your appointment

Our Services:

- Minor interior and exterior painting (touch ups)
- Pressure washing exterior (patio, outside walls)
- Light plumbing (re-caulking fixtures, adjusting faucets etc.)
- Drywall repair and patching

We provide free labor but all larger materials (doors, paint etc.) must be purchased by the family. We are willing to pick up ordered materials however, by having the materials on hand work can be scheduled faster.

It is a pleasure to serve you and your family!

Sincerely,
